

it and I would like a chance to check that with the Douglas County Board. Can it just be laid over? The Speaker said he would lay it over.

PRESIDENT: We are over our hour now and we are beginning to run into some snarls. That completes Select File. Tomorrow, I suspect the first thing up will be that motion, Senator Fowler. We go now to General File.

CLERK: Mr. President, your committee on Agriculture and Environment gives notice of public hearing in room 2230 for the week of February 9 and February 16 and a cancellation of hearings for the week of February 16. Mr. President, your committee on Ag and Environment whose Chairman is Senator Schmit to whom was referred LB 818 instructs me to report the same back to the Legislature with the recommendation that it be advanced to General File with amendments: LB 130 indefinitely postponed. Mr. President, I now have a request or a motion to introduce Request #903 by the Miscellaneous Subjects Committee and that is offered by Senator Don Dworak.

PRESIDENT: Senator Dworak.

SENATOR DWORAK: This is 501.

CLERK: No. This is your request to introduce the bill, Request #901 by the Miscellaneous Subjects Committee.

SENATOR DWORAK: The one I gave you this morning?

CLERK: Right.

SENATOR DWORAK: Oh, okay. This bill is a bill that is brought about and requested by Stan Matzke and the reason is is that we have some local subdivisions of government in the State of Nebraska that have inadvertently paid the wrong agency with their social security payments. Private industry supposedly pay, private industry supposedly pay the IRS while governmental subdivisions pay the social security office. We have approximately fifteen cities and other governmental agencies that paid IRS rather than the governmental office. In order to correct this, we need legislation and that is what this legislation attempts. So I would respectfully ask to facilitate correcting this mistake that you pass this legislation. I would answer any questions if anyone has some. I move that the bill be introduced.

PRESIDENT: Any further discussion? The question then is, shall this bill be introduced? Record your vote. For what purpose do you arise, Senator Lewis?

SENATOR F. LEWIS: Well, Senator Dworak always likes to follow the rules and I do, too. I have no statement of intent on my desk.

SENATOR DWORAK: I don't have it. I will have to get it. He is right.

PRESIDENT: Do you want to withdraw your request?

SENATOR DWORAK: I withdraw my request. I appreciate and thank Senator Lewis for pointing that out to me.
